Dear Mr. Lv Shili,

California State Polytechnic University, Pomona (Cal Poly Pomona) cordially invites you to attend as the Lead
2019 Overseas Training Program on Innovation and Entrepreneurship Development for Students from
Anhui Higher Education Institutions. The main
purpose and contents of the program will cover fields as follows: Advising Philosophy and Methodology on
Innovation and Entrepreneurship Development, Development of Campus Innovation Center and Incubation,
Development of Campus Career Center, and Design of Curriculum focused on Innovation and Entrepreneurship, etc.

Cal Poly Pomona is a regional comprehensive university accredited by the Western Association of Schools and
Colleges (WASC). The university currently has over 25,000 students enrolled in 134 degree programs (94 bachelor
degrees, 39 master degrees and 1 doctor degree), and it is the second largest polytechnic university in the United
States. The university is located in Los Angeles County just about 40 minutes driving time from Los Angeles
International Airport.

Our mission includes extending the expertise and resources of Cal Poly Pomona to the global community and
encouraging the exchange of ideas and open communication among diverse cultures. Part of this mission is to recruit
Chinese training groups to our campus and also to send experts to China in order to provide top quality professional
education for administrators and professionals. The College of the Extended University (CEU) through Global
Education Institute (GEI) is currently providing educational and training programs for several international
delegations representing both professional and academic organizations.

Cal Poly Pomona will arrange various types of lectures, panel discussions and site visits. We will provide a
professional translator during the program to help participants fully understand the contents as well as better
communicate with American peers. The university through GEI at CEU looks forward to providing this program for
your group. We believe this program will be of interest and will benefit your professional practice.

GEI will outline all costs that would be charged to you in the delivery of this program. Feel free to contact GEI if
further assistance should be needed.

Sincerely,

Howard E. Evans, Ph.D.
